It has since been updated by Kristin Rizzo in 2004, Lisa March in 2006, Sharon Connor in 2007, Domenic Craner, Family and Consumer Sciences Intern for Project RISE, in collaboration with Jennifer Samardak, FLAPEC Chair during the Spring of 2008, and Jennifer Sullivan, Project RISE Staff member in collaboration with Shannon Collins, FLAPEC Chair in 2009, 2010.

You are free to make copies of this directory. If you wish to use any or all of the contents for other publications, please acknowledge Project RISE. About Project RISE... Project RISE is a collaborative effort by Akron Public Schools, local shelters, and the community to provide supplemental educational services to children and youth who are experiencing homelessness. The first demonstration grant was received in 1991. Project RISE serves approximately 600-800 students annually.

Project RISE is designed to empower students and their families by providing opportunities to improve the quality of their lives through educational, cultural, and community resources. Education is known to be the key in breaking the cycle of poverty and homelessness. If you would like more information, please call Debra Manteghi, District Homeless Education Liaison, at 330-761-2969 or email at dmantegh@akron.k12.oh.us.

About FLAPEC (Family Life and Parent Education Coalition)...FLAPEC is a group of community representatives who meet every other month to share resources, network, and discuss ways to help coordinate and collaborate services on behalf of the community with the common goal of improving the quality of life of local residents. For more information, you may contact Shannon Collins, FLAPEC Chairperson, at flapecl@yahoo.com or 330-701-4535.

On behalf of Project RISE and FLAPEC, we hope this Resource Directory will provide the community access to services and connections that may be needed to improve the quality of life for the residents. *Debra Manteghi, Jennifer Sullivan and Shannon Collins*
